

May

May News at Frederick Montessori

School wide news...

Month of May

- 10 Muffins with Moms
- 11 Tea and Tours
- 17 Practical life lunch (\$)
- 27 Memorial Day-School Closed

In **Science** this month, we learn about Insects, butterflies and birds. Specifically, we will cover the life cycle and parts of a butterfly.

School Curriculum Updates:

We are excited to focus on our home this month in our culture curriculum. We explore the USA, the state of Maryland and even Frederick. We are learning about the maps, flags, states and the pledge of allegiance.

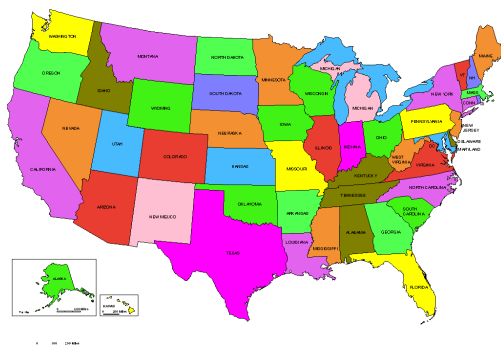

May 11 for our **May tea Event**. Moms get to be pampered with a tea session and kids get to experience practical life pouring activity and grace and courtesy lesson.

Our garden is

g r o w i n g . . .

We have started our outdoor garden. The seedlings that we started in our classrooms are ready to be put in the ground. Early in May we will work to put these into our garden.

In **art appreciation**, we discover US artist, Georgia O'Keeffe and more painting with water color in the classroom will be available all month.
